About the Awards

Cultural tourism is the fastest growing sector of European tourism and can contribute both to the sustainability and competitiveness of tourism in the European Union and beyond, as well as to the sustainable future of cultural assets, heritage sites and local communities.

Cultural Tourism products and services are important factors in sustainable development. They contribute to the protection and promotion of cultural heritage and to the extension of the tourist season, as well as to the increase of cultural and heritage awareness among tourists and host communities, of regional GDP and of its multiplier effects.

These Awards enhance the visibility of European cultural tourism destinations, create a platform for sharing experience and knowledge and promote networking between destinations. The Awards Contest is open to tourist destinations across Europe, to showcase their results and outputs in sustainable cultural tourism under several selected categories each year.

The Awards have been organised since 2014 by ECTN around annual themes, for the benefit of destinations, communities, associations, businesses, citizens and visitors.

The 2023 edition of the Awards for 'Destination of Sustainable Cultural Tourism' is organised by ECTN in partnership with Europa Nostra, the European Travel Commission and NECSTouR, in the framework of the European Capital of Smart Tourism Pafos 2023 and the ReInHerit Horizon 2020 CSA. This year's edition follows the successes of the previous ones, from the 2018 Awards, held as a contribution to the 'European Year of Cultural Heritage' (EYCH2018), to the following editions, which aimed at contributing to the legacy of EYCH2018, through relevant EU initiatives.

Call for Entries

The **2023** overall theme is:

Smart Tourism - Smart Destinations: Cultural Heritage & Creativity, Digitalisation, Sustainability.

The Awards will be given for achievements by cultural tourist destinations which have produced **significant results related to enhancing visitor experience while respecting traditions and involving local host communities.**

The **2023 Awards** address the following **tangible and intangible heritage-related** aspects of **smart** and **sustainable cultural tourism** development and promotion:

- 1. Digitalisation advances and digital transition in Sustainable Cultural Tourism**, including Smart Tourism and Smart Destinations initiatives closely involving culture and heritage.
- 2. History and Heritage:** ancestry and heritage-related experiences in connection with historic places and events (places of memory, contemplation and commemoration), which exerted an influence in history.
- 3. Riverside heritage:** sites and territories that have valorised a strong relation with their river through activities and experiences that both take the economic and social role of fluvial culture and heritage in tourism actions.
- 4. Transnational Thematic Tourism Products**, on culture and heritage, including those related to European Cultural Routes, European Heritage Label and/or cross-border cultural tourism initiatives (involving at least 2 European countries, not necessarily neighbouring).
- 5. Religious, Pilgrimage and Spiritual Tourism:** places of worship, travel for religious or spiritual purposes, walking tourism, visits to religious monuments, festivals and artefacts.
- 6. Traditional Skills, Crafts and Creativity** in Smart and Sustainable Cultural and Creative Tourism activities (add-on to the European Year of Skills 2023).

The applicants must address one of the above themes and present projects or initiatives that have been completed during the past 3 years. Award winners will be recognised as outstanding **examples of excellence**, inspiring other tourist destinations and stimulating further development of **smart and sustainable cultural tourism** actions and initiatives.

Award winners will be announced at the Awards Ceremony to be held during the **16th International Conference for Cultural Tourism** on the theme of **'Smart Tourism – Smart Destinations: Cultural Heritage & Creativity, Digitalisation, Sustainability'**, organised by ETCN on **18th - 21st October 2022 in Pafos, Cyprus, European Capital of Smart Tourism 2023**.

The selected finalists will be invited to the ETCN Conference 2023 and to the Awards Ceremony (to be held on 19 October). The organiser and partners will not reimburse any costs for attending the Awards Ceremony, but the conference fee will be waived for up to two persons per finalist.

Who can apply?

The Joint Awards are open to all tourist destinations across Europe, national, regional and local authorities, tourism boards and associations, destination management organisations, museums, interpretation centres, cultural routes, festivals and cultural NGOs.
