

RESEARCH HIGHLIGHTS

The Newsletter of the Market Intelligence Group of the European Travel Commission

No 6 October 2008

Dear Friends of ETC,

ETC's **Market Intelligence Group** has just published a new edition of its **"Research Highlights"** Newsletter No 6.

[Click here](#) to download your copy and find out more about ETC's market research projects and its member organisations and colleagues from the world of international tourism research.

Besides an update on ETC's current research activities, you will also find information on:

- Climate change and tourism
- Developing an innovation culture in tourism
- British Tourism Framework Review
- New tourism brand for Finland

Happy reading !
